---

## Education

Ph.D. in Child Development with an emphasis in Special Education, May 2009, TWU in Denton, TX

M.Ed. Special Education with an emphasis in Early Childhood, May 1996, Stephen F. Austin State University in Nacogdoches, TX

B.S.R. Rehabilitation with a minor in Orientation and Mobility, May 1994, Stephen F. Austin State University in Nacogdoches, TX

18 graduate hours in Physical Education from University of Houston & University of Nebraska-Kearney.

18 graduate hours in Sociology from Texas A&M Commerce & University of Alabama-Birmingham, to be completed by end of Summer II, 2016.

## Teaching & Course Design Experience

2010-current: EDUC/CDEC full-time instructor. I am an expert in course design, data collection, program assessment, course assessment and NAEYC accreditation. I developed the child development online program, which included getting THECB approval as well as designing all of the courses taught to meet the needs of the students while using web 2.0 tools to make engaging courses. I also developed all of the PHED courses currently taught online at Grayson College.

## Professional Experience

2016-Present: Certified Quality Matters Course Reviewer

2015-Present: Peer Reviewer for NAEYC ECAD (completed 6 reviews, was lead reviewer on 2 reviews)

### Service to committees at Grayson College

2010-2011: Advising Committee member

2012-2014: Student Success Committee Co-Chair

2012-2013: SACs preparation Committee

2012-2014: Success by the Numbers (only faculty member on committee)

2014-2017: Achieve the Dream Core Team (one of 2 faculty on committee)

2015-2017: Successful Course Completion Co-Chair

**2015-2017:** Department Chair Business, Technology and Education at Grayson College, managed 11 disciplines with different degrees and certificates, managed the budgets, evaluated faculty, scheduled courses and served on committees

2012-2015: Department Chair Education, Child Development and Physical Education at Grayson College; developed the Child Development degree; developed and taught most of the child development courses and served on committees

2006-2009: TA at TWU in Child Development Department

1/1997-2010: Education and Child Development adjunct instructor at Collin College.

- \* Taught online & face-to-face

- \*developed online courses to be engaging and of high quality

- \*helped with NAEYC accreditation

**2017-Current:** Instructor Education, Child Development, Sociology, Physical Education

**Certified Orientation and Mobility Specialist, Grayson County Special Education Co-op, August 2010 – Present.** I contract O&M services as needed to meet the orientation and mobility needs of students who are blind and visually impaired for school districts served by the Grayson County Special Education Co-op.

**Certified Orientation and Mobility Specialist, Grayson County Special Education Co-op, August 2001 – May 2005.** I contracted O&M services 2 days a week. I worked as a member of the Special Education Team meeting the needs of the children who are blind/visually impaired in Grayson County. I was responsible for doing O&M assessments, writing IEP's, implementing the IEP's, providing the regular education teachers support for the students blind/visually impaired, attending ARD's, and writing progress reports. I was responsible for teaching the students with visual impairments/blindness how to be as independent as possible in their school environment and in their local community.

**Tech Prep Faculty Coordinator for Collin County Community College, 8/97-5/99.** I was responsible for making sure the high schools participating in the Child Development Tech Prep program were meeting Collin County Community College's Child Development objectives. I was responsible for recruiting new high schools into the program. I was responsible for checking the credentials on the child care facilities and teachers that the high school students were using as their chosen lab sites. I was also responsible for providing any support to the high school teachers as needed. The program I developed was duplicated for other disciplines beginning in 1999.

**Contract Certified Orientation and Mobility Specialist:**

8/01-5/02 Sherman ISD: Provided O&M services as needed to students with visual impairment/blind.

8/96-5/97 Carroll ISD in Southlake: Provided O&M services as needed to students with visual impairment/blind.

9/95-5/96 Region VII ESC: Provided O&M services as needed to students with visual impairment/blind.

Spring 1996: Early Childhood Intervention Internship

7/94-5/96 Estelle Prison Unit: Provided O&M services as needed to inmates with visual impairment/blind.

9/94 -5/95 Region VI ESC: Provided O&M services as needed to students with visual impairment/blind.

## Honors and Awards

## Previous Teaching/Administrative Experience

### **Education adjunct, Southeastern State University, Durant, OK, Spring 2010**

EICD 4113, Language Development, Fall 2016, Spring 2017, Fall 2017, developed online course shell and teaching course online

### **Education adjunct, Southeastern State University, Durant, OK, Spring 2010**

ELED 2000 & ELED 2013 taught face-to-face

**Teaching Assistant, Texas Woman's University, Denton, TX, 2007-2009.** I was TA of record for several FS courses online related to Child Development. My responsibilities included but were not limited to creating course shells, incorporating advanced online tools (Voki's, wiki's, Podcasts, Second Life) into the courses. I was also responsible for grading assignments and monitoring the progress of the students.

### **Child Development/Education Adjunct Instructor, Collin College, January 1997-2011.**

I taught the following courses when teaching for Collin College:

**TECA 1311 Introduction to Early Childhood**

**TECA 1303 Family and Community**

**TECA 1354 Child Growth and Development**

**CDEC 1340 Instructional Techniques for Children with Disabilities**

**CDEC 1359 Children with Special Needs**

**CDEC 1319 Child Guidance**

**CDEC 1323 Observation and Assessment**

**CDEC 1356 Emergent Literacy**

**CDEC 1317 CDA 1:** researched and coordinated which child development competencies were to be used for this class for the entire department

**CDEC 2322 CDA 2:** researched and coordinated which child development competencies were to be used for this class for the entire department

**CDEC 2324 CDA 3:** researched and coordinated which child development competencies were to be used for this class for the entire department

As the instructor in these courses, I was responsible for developing curricula, which would aid in teaching the students how to write useful and comprehensive lesson plans, implement their lesson plans, and then evaluate and assess the comprehension. I was responsible for teaching positive guidance techniques, observation and assessment techniques, and ethics for child development professionals. I taught using lectures, power point presentations, guided discussions, cooperative learning, group projects and many internet resources. I was one of the first instructors to teach an online courses at Collin College and was the first in the Education and Child Development Department.

## **Fundraising**

Workforce Solutions Texoma, 2014-2015, created a partnership for the community through a Federal Grant. GC is given \$35,000 for scholarships for students pursuing any of the 3 child development programs.
